Pledge

**AGENDA:** Approval of the agenda the motion by J Romano/D Saari all vote aye

**NEW BUSINESS:** Proposal for Professional Services from OHM for the Elm River Township Community Multi-Purpose Building.

\$10,500 we pay with/without for writing the grant application. A grant from Copper Shores to build the building and amount depends on the cost etc.

Many factors to be looked into for building, maintenance, rental (can we charge) being it is grant funded. Insurance should be blanket coverage with the rest of the township. It would need electricity, restrooms, and of course with the go ahead from the Health Dept.

A recreation committee to handle hours and the cleaning up if need be. Suggested an app to handle the booking part.

Also, we could have people write letters of support from community members, unique, short personal describing why.

Motion made by J Reynolds/D Saari for OHM Advisors to go ahead and start the grant application, all vote aye, nye vote none.

\*\* Motion to adjourn J Romano/D Saari at 7:05 pm all in favor aye.
